

This is to confirm that the

FOO/FOA Recurrent Training v02

provided by infoWERK Medien & Technik GmbH, setup on the LMS Training Portal is in compliance with:

IOSA Standards Manual / Standards and Recommended Practices / Table 3.5 Competencies of Operational Control.*

All requirements and updates are documented in infoWERK's internal Quality Management System.

A detailed overview on available topics is listed in Appendix 1.

*Type as well as operator specific content can be implemented upon operators request but is not covered in the generic training material.
